## Road Racing at Waterford Hills

This is  
Now

When JAGM member Brian Brady saw the Waterford Racetrack event advertised in the Indicator, he sent us these great old photos along with the following memories:

*Seeing the upcoming event at Waterford for the club got me thinking when I was over at my dad's place. He has the attached two photos on the wall of his garage. This was a club event at the track in either 1974 or 1975. As you can see in the first photo - a long time before the back straight wall and far fewer trees than today. While I recognize all in the first photo and their cars, the names of a few now escape me.*

*The guy with the 120 doing his best G Gordon Liddy impersonation is my dad Mike. The couple sitting on the S1 XJ 6 are Roy and Candy Lang.*

## *the President's Purr...*

Nothin' like celebrating America like an old fashioned base ball game!

It was a great time at the Motor Muster at Greenfield Village, and the Old Time Base Ball game – more because it was my first time seeing a game and visiting the village since I was very young. Gary and the La De Dahs were exciting to watch. It brought back memories when I was little and on a school field trip, riding the train that went past the ball field, and seeing all the ball players waving their hats, while we waved back at them. It was fun then and even more now, since I personally know one of the players! Good game, Newton!

There's all kinds of fun events that have taken place so far, and much more still to come throughout the

upcoming months. The weather has been exceptional, so there's no excuses.

Be sure to check out the events page and register online. It would be nice to get to know all the new members at an upcoming event. And remember, we're not just a club, we're a family! So, make plans to join up with your fellow members soon! For example, if you like relaxing by the water with friends, the warm sand in your toes, sipping on your favorite beverage, I highly recommend the Jags on the Bay event, coming up on Saturday, August 6<sup>th</sup>!

Until next we meet...

Teresa

## Jags on the Bay

Join us for the sixth annual Jags on the Bay in Bay City. Come and enjoy good food, sunshine, sand, and have fun!

This year's theme is...You've Got to be Joking!? A One Joke Per Guest Stand-up Comedy Day! ...Or more if you're good at it!

Entrance to the event is a Jag (if you've got one), and the funniest joke or experience that you've ever heard or had! Write it down, keep it clean, and present it to the crowd! There will be a prize for the top three funniest presentations based on the laugh-o-meter! Basically, a day to relax and enjoy the laughter...on the water, with sun, sand and friends.

**Where:** 243 Donahue Beach Drive, Bay City, MI

**Date:** Saturday, August 6, 2022 - starts at noon

**Parking:** Jags on display in the designated parking area across the street

Burgers and hotdogs on the grill with all the fixings. Please bring a dish to pass, BYOB, lawn chairs, blankets and towels, and enjoy a walk along the sandy beach. The fun is sure to continue into the evening hours, so you may want to extend your trip overnight and check out the Bay City Riverfront Uptown or Bay City State Park on Sunday.

# Mueller's Steak Fry

The Annual Steak Fry at Mueller's Orchard brought 25 members and 9 Jaguars out on a beautiful late May afternoon. As always, the highlights included great food, cars and conversations; this time we added a new wrinkle - a short drive to the Linden airport to see Chuck's newest toy!

With the orchard store building undergoing remodeling, we gathered in the covered picnic shelter. Lunch was delightful—featuring, of course, grill-master Chuck's steaks and chicken accompanied by a fabulous collection of salads and desserts. The view from the pavilion was apple orchard to the west and Jaguars to the east, and sunshine all around. Ilene and Steve even jumped on the nearby merry-go-round for a quick race!

After lunch and some serious tire-kicking, most of us drove a couple miles to the airport hangar, where Chuck showed off his recently-acquired motor glider. A motor glider looks like a traditional sail-plane, but it has a motor, which means it can take off on its own without requiring another plane to tow it before gliding. The tour and explanation of the plane was a great way to finish off another wonderful gathering at Mueller's Orchard. Thanks, Chuck and Wendy, for your hospitality!

## Then (cont'd from cover) - Taste of the Track Day - Now

*Roy was president of the club once or twice ... I well remember the other fellow with a moustache standing next to the S3 Roadster - had the car fitted with 6 Webers and Minilites - a very quick car. We both remember the black coupe on the end as being a really nice car.*

*The second photo was taken from the start finish flag stand. Dad had just re skinned the doors so they are bare aluminum here and the primer colored wire wheel was due to a blown front wheel cylinder leaking out and ruining the paint on that wheel. Thought it to be a fun remembrance of the same event nearly 50 years ago....*

*I would love it if someone remembers the names that I don't. Don't know how many from that far back are still around but you never know. If they are still around they will certainly remember Roy Lang - no doubt about that...*

Best Regards,  
Brian Brady

Eight JAGM members joined the Motor City BMW club's High Performance Driving Education (HPDE) session on June 17<sup>th</sup>. Mihaela Charlier (F-Type V8 S) and Peter Conway (Alfa Romeo Giulia) drove in the Taste of the Track introductory class. Randy Perry was an organizer of the event and Gary Hillebrand, Phil Crutchfield, Steve Myerscough and Patrick Mason came to watch and cheer them on. The weather was perfect and a large variety of cars and drivers participated in the various levels of driving sessions, including lots of BMWs, a 90's Mustang, a Cadillac sedan and a Toyota Corolla.

This is the second year Randy invited JAGM members to this event, the Taste of the Track level gets you about an hour of instructor-led driving time on this very entertaining course. All of us who have tried it now had a great time. Look for the event again next year!

## Jaguar Concours d'Elegance

Saturday, August 20, 2022

**Somerset Inn, 2601 W. Big Beaver Road,  
Troy, Michigan 48084**

**[www.SomersetInn.com](http://www.SomersetInn.com)**

JAGM's most prestigious event, the JCNA-sanctioned Jaguar Concours d'Elegance, will be held at one of its more interesting venues: the Somerset Inn and Golf Course, next to the world famous Somerset Mall. We have reverted back to holding our car show during the Woodward Dream Cruise, the largest collector car and enthusiast event in the world. Here is some information about the Dream Cruise: [www.woodwarddreamcruise.com](http://www.woodwarddreamcruise.com).

Join us and show your pride in the marque whether you have a classic, or a brand-new E, F or I-Pace. There will be formal judged events in both Championship and Driven JCNA classes. Prefer not to be judged? No problem! Come and join in the display class, where everyone can admire your car without the work!

Trailer parking will be available in a segregated parking lot west of Somerset Inn. A cocktail reception will take place on Friday evening and out-of-town guests are encouraged to reserve accommodations at the Somerset Inn at special rates for JAGM.

Both a restaurant and hospitality tent will be available during the Concours on Saturday for respite from the sunny weather. In addition, there are over 180 shops and restaurants at Somerset Mall, less than 200 yards from the concours field. These venues will offer you a break from the weather and will also provide options to entertain your guests.

Lunch may also be purchased at the Crumpet's Restaurant on the premises or any of the 30 other restaurants in the Somerset Mall next door.

There will be an informal early dinner on the patio in the courtyard of the Somerset Inn on Saturday evening, followed by the JCNA awards presentations.

This year's JAGM Concours d'Elegance will be located about 10 miles north of Detroit, in the heart of Oakland County, and about midway along the route for the Woodward Dream Cruise.

The Somerset Golf Course, the Somerset Inn and the Somerset Mall are all in the southeast intersection of Big Beaver Road and Coolidge Highway in Troy, Michigan. The venue is off the US I-75 at Exit 69 (Big Beaver Road). Go west about two miles to the Somerset venues (if you go past Coolidge Highway, you have gone too far west).

# Motor Muster/Historic Base Ball at Greenfield Village

Saturday, June 18<sup>th</sup> was a beautiful day at Greenfield Village with temperatures in the upper sixties and plenty of sunshine. The six JAGM members who watched the historic baseball match between the Greenfield Village Lah-De-Dahs and the Northville Eclipse Base Ball Club found a shady spot under the trees along the first base line.

One of the rules of baseball in 1867 was that a foul ball that is caught on one bounce is an out, and hitting a tree is considered a bounce. So when a foul ball was hit into the tree that we were sitting under, two Northville players ran to catch it, but it never came down. You can

see the two players in the picture above pointing at the ball stuck in the tree. Eventually one of them threw another ball up to knock it down. Fortunately for us Lah-De-Dah fans it did not count as an out.

We were rooting for the Lah-De-Dahs since one of

our own JAGM members, Gary Hillebrand (my husband—also known as Newton), is on the team. The Lah-De-dahs put in a valiant effort, but the Eclipses still managed to edge them out (14 to 1).

After the base ball match, we wandered through the Motor Muster car show which featured hundreds of cars made between the mid-1930's and the late 1970's. JAGM mem-

ber Lee Jacobsen had three cars displayed in the show, his beautiful MG TA Tickford DHC, and the E-Type and XK 120 shown below.

After leaving the Village, some JAGM members met at

Ford's Garage for an early dinner.

It was a great way to spend a summer day!

## Classic Car Night (#2) at Meadow Brook Theatre

On Friday, June 3rd, nine JAGM members presented four Jaguars at the Meadow Brook Theatre parking lot at 6:30 PM. The (Pontiac) Fiero club was busy holding six contiguous parking spots for their anticipated members. As it turned out only three were able to make the trip. As a consequence, our Jaguars outnumbered the Fieros, Corvettes, Thunderbirds, Model Ts, and others.

We enjoyed an hour, or so, of tailgating camaraderie

before heading into the theatre for the performance of *A Closer Walk with Patsy Cline*, where Little Big Man, a disc jockey from Patsy Cline's hometown of Winchester, VA, traces the late singer's footsteps from early honky-tonk and radio

days through her rise at the Grand Ole Opry, plus her appearances at Carnegie Hall and Las Vegas. The play chronicles Patsy's compelling journey and features her greatest hits, including "Walkin' After Midnight," "Crazy" and "I Fall To Pieces."

The performance was very well done. It felt like you were getting a vision of what her journey to stardom was like. When I arrived home, I decided to relax a bit before retiring for the night. I asked Alexa to "play some Patsy Cline music". To my utter amazement, I spent the next half hour listing to many of the same songs I had heard earlier at Meadow Brook.

The performance at Meadow Brook was very, very close to listening to the real Patsy Cline. What a great time we had.

Meadow Brook Theatre's Classic Car Nights is the type of event that we should support and enjoy going forward. At the price of \$25 per ticket (unless you bring a car at least 25 years old, in which case one ticket is free), it is surely a bargain for a great night out.

# The British Return to Fort Meigs

Fort Meigs is an historic fort on the banks of the Maumee River in what is now Perrysburg, Ohio. In 1813, the British army laid siege to the fort, attempting to take it over on their way to an assault on Detroit. The American army was able to withstand the siege and held the fort. The British have not given up, though. The Lake Erie British Car Club (LEBCC) now has its annual car show, “The British Return to Fort Meigs” on the grounds of the historic fort.

This year, a number of JAGM members joined the show. There were 132 entries, including a few motorcycles, a dozen Jaguars, and a great selection of other British makes. The relaxed atmosphere, great weather and interesting cars and owners combined to make for a wonderful day. A few highlights:

- A rare (200 remaining in the world) Sunbeam-Talbot Alpine roadster. Its owner explained that with the performance of an MG and the price of a Jaguar, it didn't sell too well—hence its rarity now!
- A half dozen assorted Lotuses, including a 1960's Elan which we followed most of the way down Telegraph Road to get to the show.
- A mid-50's MG Saloon whose owners told us about their trip around Lake Michigan in the car—a Hagerty-sponsored rally called “Lap the Lake” this past May.

We'll keep this annual car show on the JAGM calendar. It's a short drive from SE Michigan and draws an entertaining variety of British cars and typically interesting owners and stories. Thanks, Nigel Booth, for bringing this one to JAGM's attention!

## JAGM Zoom Membership Meeting—June 8<sup>th</sup>

About a dozen members joined the June zoom meeting along with visitor Jim Croft, the new owner of a 2004 S-Type. The upcoming trip to the Bay Harbor Vintage Car and Boat Show was detailed by Gary Cunningham and Dom Federico.

There was some discussion about whether there might be enough interest among club members to rent a large storage facility together for a large number of cars. You may hear more about this in the future. Talk to Gary Cunningham if you would be

interested.

Attendees then talked about some favorite driving routes that might be shared among members. Phil Crutchfield pointed out that there is a location for scenic drives currently on our website.
