the President's Purr...

THE CLUB NEEDS YOU!!!

Congratulations to our club members for the honor of becoming one of the largest and fastest growing Jaguar clubs in North America! This is really something to brag to all your friends about. Even with obstacles like the whole COVID virus, we stuck together and came out stronger and more connected than ever.

What an inspiration for all the new members that we've had join throughout the year. I really can't wait to get to know all of you, and reconnect with some members whom I haven't seen for some time. There isn't a more perfect time to get together and reconnect than the JAGM Holiday Party, or even sooner at

a membership meeting!

October is the time to throw your hat into the ring and consider nominating yourself or another team member (as long as they agree) for one of the open Board of Director chairs. It's a great bunch of people who are enthusiastic and eager to continue to see our club thrive. We have seats within the BOD for Secretary and Vice President. Please consider being a part of the future of JAGM and volunteer in a way that contributes to the continued growth and success of our club.

Until next we meet...

Teresa

Call for Nominations

Did you know that your JAGM club is now one of the largest and fastest growing Jaguar clubs in North America? We truly thank you for your participation in this achievement.

Because of this growth, we are expanding our board of directors from nine to eleven. So, we are seeking **two new directors** to join our

team during this year's election period.

If you want to help guide our club's future, please consider nominating yourself. If we receive more than two nominees all will be placed on the ballot and the directorships determined through the November member voting process.

In addition to the two new directors, the existing officer positions of Vice-President and Secretary are open for next year. These two positions are filled by appointment by and from within the board of directors shortly after the election process concludes. So,

if you are interested in being appointed to either the Vice-President or Secretary position, please visit [JAGM Board of Directors Nomination Form \(jotform.com\)](https://jotform.com)

A brief description of the two open positions are listed below.

- **Vice-President** - shall act as President in his/her absence, also the VP will maintain and report on the club activities calendar.

- **Secretary** - will keep the Board Meeting minutes, provide them to the JAGM Editor, and give all notices required by law .

Thank you for your consideration and desire to help us keep this momentum going.

Sincerely,

The JAGM Board of Directors and Officers.

2021 JAGM Concours d'Elegance

Well, our 53rd JAGM Concours is now in the history books. We had a great weekend and a great Concours. The weather really cooperated, warm, dry and slightly overcast so it was not too hot for anyone. The event started on Sunday evening with a welcoming party at the Spring Hill Suites. Our out-of-town guests were there and were welcomed by our Club. Food and drinks were provided for everyone. Many Club members brought their own home made goodies to share with everyone. Overall it was a very enjoyable evening. No one left hungry or thirsty.

Labor Day Monday was our big event with the combined Jaguar Concours and Other British Car Show. Club members showed up in force to do whatever was needed to make the event run smoothly. There were plenty of people working registration and welcoming all the entries. The crew was directing cars to their proper parking spaces. They did a great job considering we had no idea on exactly who was coming with an Other British Car. They found homes

for all of them and no one was left out alone anywhere. Dave Wathen was new as our Chief Judge and he was more than up to the task. He was comfortable and confident through-

out the day. Judging the Jaguars went very smoothly and there were no issues of concern. It was a low keyed day at Canterbury Village. Many of the shops were closed on Monday. Fortunately, Yates Cider Mill was open with plenty of good coffee, donuts and ice cream. BBQ Lunch on the Pub Patio was also easy going with plenty of good inexpensive food. Not everything went to plan, but everything worked out well. This is an easy group to work with.

We had around 50 Jaguar cars on display on Monday in all the various classes and another 25 Other British

Cars as well. There was certainly something for everyone. There were several first time entries to the Concours, some judged and some in Display. They all said they plan to return next year. Jaguars came from Ohio, Illinois and Indiana besides those in Michigan. They all had a great time as well. It doesn't matter what you drive. Our cars are just an excuse for a nice

bunch of people to get together and spend time with each other.

All the participants and I need to thank Jeff and the parking crew, Dave and the

Judges, Pauline and the registration crew, Louise and the score tabulators, those who came to the Sunday party with goodies and made sure that everyone was comfortable and helped clean up, Hospitality on Sunday and Monday, clean-up on Sunday and Monday, set-up on Sunday and

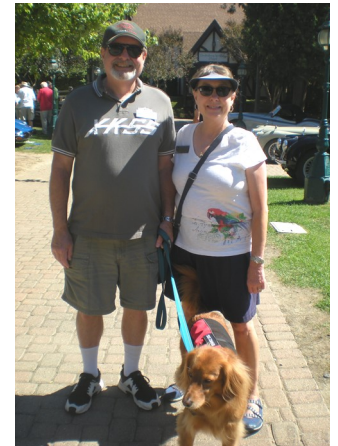

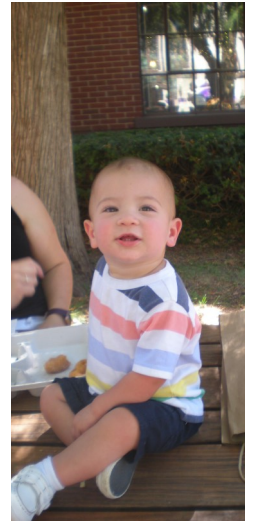

Monday, our Club publicity in the Indicator and Website, our Treasurer for keeping our finances straight.

There is the possibility of combining our Jaguar and British Show with a Hot Rod Show on Sunday, Sept 4 next year. Mark it down on your planner.

Chief Judge's Report

We had a great turnout of Jaguars and other British Cars in a perfect weather day. We had Jaguars from 1937 through 2021! Judging went smoothly and we had three judges from other JCNA clubs which is a good way to get multi club participation. Thanks again to all the judges, scorers and helpers who make this event great.

Chief Judge

2021 Apple of Your Eye Car & Craft Show

The annual charity event hosted by Mueller's Orchard & Cider Mill benefits the Cystic Fibrosis Foundation. The event took place on Saturday, September 11th and Sunday, September 12th. The weather was picture perfect and the crowds large.

The event featured collector cars of all types, music, arts and crafts booths, a grilled food tent by the local

Kiwanis club, various youth activities, raffles and of course apples, cider and donuts.

Thank you Wendy and Chuck for continuing this fun and charitable event.

5th British Car Corral

On Sunday, September 19th, we enjoyed our fifth and final British Car Corral at Baker's of Milford for 2021. It was a beautiful day and the crowd, while not as massive as last month, was still very large. We had eight British cars there, consisting of one Aston Martin, one E-Type, one F-Type, one XE, three MGBs and a Lotus.

We met a few new folks and enjoyed the various cars in attendance. Our plans are to continue and build this event in 2022.
