## JAGM Fall Drive - Midland, then Around the Thumb

We've had a placeholder in our 2022 calendar for a while – now the Fall Drive is taking shape. Tom Hudak and Phil Crutchfield combined two ideas into this October weekend plan.

The event starts in Midland at the **Northwood University International Auto Show**, with a Cars and Coffee event on Saturday, October 8<sup>th</sup> from noon to 5 pm. We'll meet and display our cars at this event on the Northwood Campus and stay overnight in Midland.

Sunday morning after breakfast we'll drive east to Bay City, and from there, follow the Lake Huron shoreline around Michigan's thumb on highway M-25 all the

way around to Port Huron. With luck, we'll have some fall colors to enjoy, but the drive along the lakeshore is interesting and beautiful at any time of year.

The hotel and restaurants are not yet selected; more details will be included in the September Indicator, but **save the weekend of October 8-9 for the JAGM fall drive!**

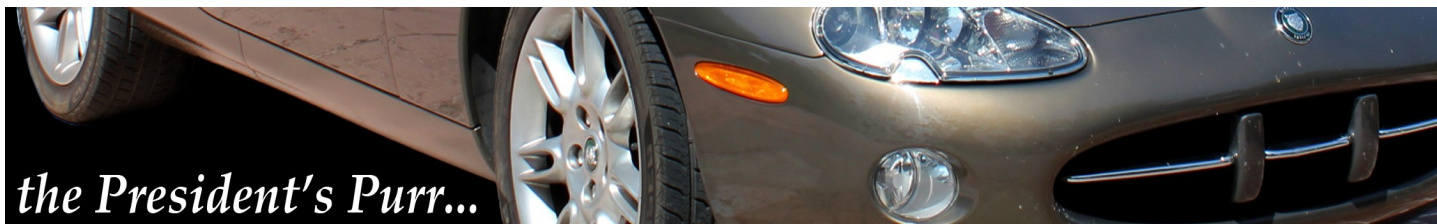

## August 10 Zoom Meeting

JAGM will have a Zoom membership meeting at **7 pm on Wednesday, August 10<sup>th</sup>**. Look for an email about a week in advance with the link to join in.

We'll follow our typical Zoom format—introducing any new members, going over upcoming club events and discussion of any technical issues and projects.

So, grab the beverage of your choice and a comfortable chair, bring in your ideas, questions, answers... whatever, and enjoy an hour or so with JAGM friends.

## the President's Purr...

August is geared up to be one of the best and most exciting months this year for the JAGM club.

I can't wait for the JAGM Concours on the 20<sup>th</sup> as it is sure to be another big and entertaining event again this year. Different location, but same great cars and members! Hope all of you are planning on being a part of the biggest show JAGM has to offer! Make sure to register online if you haven't already, and please consider volunteering to assist with the festivities. It's sure to be a big crowd pleaser!

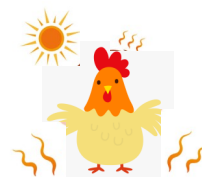

Another yearly fun event planned in August is Jags on the Bay, hosted by yours truly in Bay City, Michigan on Saturday, August 6<sup>th</sup>. And if you haven't heard already, it's a Comedy Improv theme so bring all your jokes and laughter, and enjoy this wonderful easy day in the sun! I'm sure by then the temperature will

ease some, and not be as scorching as it has been lately. It's been so hot!

How hot has it been lately, you ask? It's been so hot, forget about frying an egg on the sidewalk; this kind of heat would fry an egg inside the chicken!!! LOL

Until next we meet...

Teresa

# JAGM at Bay Harbor was Enjoyed by All Who Attended

For the first time, JAGM participated in the Vintage Car and Boat Festival at the Bay Harbor Resort from June 23 thru 26, 2022. We fielded a total of 18 Jaguars, one Corvette, and a 1940 Chris-Craft 22' Sportsman Sedan. With invited guests, there were 41 of us participating in the weekend events.

On Thursday, we gathered at our host hotel, the Apple Tree Inn, for a cocktail party on the deck overlooking Lake Michigan. The weather was superb and the employees of the hotel were very accommodating to our large group.

Friday morning brought another day of cloudless skies and bright sunshine. We gathered at the Bay Harbor Resort and then caravanned to a beautiful private classic car collection in Harbor Springs. Refreshments were served and the collection included many unique cars and motorcycles. From there, we drove through the tunnel of trees along M-119 to Good Hart and had a catered lunch at the Crow's Nest restaurant. The sauteed fresh lake perch and all

the trimmings were enjoyed by all. After lunch, a few of us took the return drive to Harbor Springs "at speed."

On Friday evening, we were invited to a cocktail party at the Bay Harbor Yacht Club that included perhaps the best view of Little Traverse Bay I have ever experienced. We then caravanned back over to Bay Harbor for dinner at Vernales Restaurant, which lived up to its advertisement as the No.1 Steakhouse in Michigan.

Saturday was another picture-perfect day and we made the most of it. We took the field by 9:00, joining about 75 other classic cars and about 25 antique wooden boats. But there was no doubt which marque was the best represented on the field... Jaguar by a wide margin, from a 1956 XK 140 to a couple of 2017 F-Types, and everything in between!

After three beautiful days in the sun in northern Michigan, we concluded our festivities on Saturday evening with a lovely dinner at the Douglas Lake Bar & Grill. There were 16 of us present and a good time was had by all. I suspect JAGM will be returning to Bay Harbor in the future when the rest of our club members find out what a wonderful time we had that weekend.

# Mad Dogs and Englishmen Weekend

Early Saturday, July 9<sup>th</sup>, 10 JAGM members with 7 cars met at DeNooyer Jaguar in Kalamazoo where the MD&E club's road rally was also starting. The rally drew around 50 cars, mostly British, and included 3 Jaguars – an XK8, an E-Type convertible and an XK140 that had been driven up from Peoria, Illinois. The rally cars made a very colorful display as they lined up for the beginning of their drive.

With most of our JAGM cars lacking a navigator in the passenger seat, we had decided to go our own way from the dealership, heading over to Kalamazoo's Air Zoo Aviation museum after a nice breakfast at LaRue's restaurant just down the street.

The Air Zoo has a most impressive array of aviation history, from early 1900's multi-wing aircraft through military planes of the 20<sup>th</sup> century wars and even some spacecraft and sci-fi movie

displays. Unexpectedly, there was a section with

## Mad Dogs and Englishmen Weekend (cont'd)

some amusement park rides – these were actually operating, which seemed popular with families and their small children.

The museum displays fill three large buildings. In the two hours we spent there, Ellie and I only got through two of them; I guess we'll have to come back again to see what we missed!

Finding ourselves with some time that afternoon and

evening, we decided to look up a popular stop that JAGM has used in many previous years' Mad Dogs trips – the Barn Theatre in nearby Augusta. As luck would have it, we were able to reserve six seats together, albeit near the back of the barn. So we took a nice scenic drive over to Augusta where we had a leisurely dinner at the Player's Grill and an ice cream stop at Fat Mike's (really!) before the play. The Barn Theatre Company presented a fast-paced and very funny musical, "Seven Brides for Seven Brothers."

Sunday morning the weather was still beautiful and we all made our way over to the Gilmore museum for

# Mad Dogs and Englishmen Weekend (cont'd)

the Mad Dogs and Englishmen British Auto Faire. The show was very well-attended this year, probably owing to both the great weather and the pent-up demand for post-COVID outings. The hundreds

of cars included around 40 Jaguars. Our members quickly located some nearby shade and made ourselves comfortable!

Three JAGM members won awards in their classes. Jake Zindel took 2<sup>nd</sup> place in the E-Type Roadster class with his Regency Red OTS. Lee Jacobsen won 1<sup>st</sup> place in the "Other British to 1964" class with his 1938 MG

SA Tickford Drophead Foursome, and Phil Wiltshire was awarded 2<sup>nd</sup> place in the "RHD Rare Gems" class for his 1967 MGB GT V-8. Congratulations to all!

# The Great Race

Tuesday, June 21<sup>st</sup> was a classic hot, summer day; 90 degrees and sunny in Perrysburg, Ohio. Phil Crutchfield, Ellie and I, and a college friend from the Toledo area joined thousands of people gathered downtown to see The Great Race participants complete the day's driving stage. More than 150 cars arrived over a two hour span of time.

Other British cars in the field included a 1937 Lagonda LG6, a '73 Jensen Interceptor, a '66 Aston Martin DB6, a '67 Austin Healey BJ8, a '53 Sunbeam Alpine, a '64 Morris Mini Cooper S and a '48 MG TC.

A few days later I looked up the final results of the race.

The overall champion (taking home the \$50,000 first prize) was the team of Josh Hull and Trevor Stahl, driving a 1932 Ford Speedster. All the race results and many, many pictures can be seen at the race website: <https://www.greatrace.com/>.

We luckily found a great viewing spot – on a shaded porch off the city library building where we could set up our chairs and view the checkpoint where the cars' times were recorded, and hear the race announcer's voice as he announced the driver and navigator's names, their car description and other interesting anecdotes about the teams' history in the race. Most of the teams had been in multiple Great Races over the years.

As we wandered through the rally cars parked along Louisiana Street, we were drawn to this 1964 E-Type and met its owner/driver, Ed Overmyer, from Tennessee. Ed's car is beautifully restored, and he loves driving the car, even in this 9 day, 2300 mile rally. He has some roots in Michigan, having lived here at one time, and allowed for the possibility of joining us at a JAGM event in the future.

The 2023 Great Race route has recently been announced. It starts in St. Augustine, FL and ends in Colorado Springs, CO. So it won't pass near us in Michigan, but we can highly recommend

that the next time you get a chance to view a stop on this event, it makes for a most interesting time.

## JAGM Membership Meeting—July 13<sup>th</sup>

Our July meeting at Brass Pointe was our first combined meeting with the Windsor Detroit MG Club. The restaurant asked for this because their meeting room can hold about 60 people and neither of our clubs has had numbers like that attending recently. JAGM had 12 members and WDMGC about 20, so we all fit handily in the room. For a first attempt I think it went quite well. We had our usual dinner conversations about our cars, current projects, and club events, while the MG group was

doing the same at their tables. Around 7 pm, Vicki Bade led the MG club's "business" part of the meeting, which took about 20 minutes and included at least one topic of common interest – the recent Mad Dogs and Englishmen event. Wendy Mueller then introduced our raffle event – offering tickets to both clubs. The MG crowd didn't join in this time, but I suspect that will change in future meetings. The Brass Pointe meetings will continue with the two-club format for the time being.

## Jaguar Concours d'Elegance

Saturday, August 20, 2022

**Somerset Inn, 2601 W. Big Beaver Road,  
Troy, Michigan 48084**

**[www.SomersetInn.com](http://www.SomersetInn.com)**

JAGM's most prestigious event, the JCNA-sanctioned Jaguar Concours d'Elegance, will be held at one of its more interesting venues: the Somerset Inn and Golf Course, next to the world famous Somerset Mall. We have reverted back to holding our car show during the Woodward Dream Cruise, the largest collector car and enthusiast event in the world. Here is some information about the Dream Cruise: [www.woodwarddreamcruise.com](http://www.woodwarddreamcruise.com).

Join us and show your pride in the marque whether you have a classic, or a brand-new E, F or I-Pace. There will be formal judged events in both Championship and Driven JCNA classes. Prefer not to be judged? No problem! Come and join in the display class, where everyone can admire your car without the work!

Trailer parking will be available in a segregated parking lot west of Somerset Inn. A cocktail reception will take place on Friday evening and out-of-town guests are encouraged to reserve accommodations at the Somerset Inn at special rates for JAGM.

Both a restaurant and hospitality tent will be available during the Concours on Saturday for respite from the sunny weather. In addition, there are over 180 shops and restaurants at Somerset Mall, less than 200 yards from the concours field. These venues will offer you a break from the weather and will also provide options to entertain your guests.

Lunch may also be purchased at the Crumpey's Restaurant on the premises or any of the 30 other restaurants in the Somerset Mall next door.

There will be an informal early dinner on the patio in the courtyard of the Somerset Inn on Saturday evening, followed by the JCNA awards presentations.

This year's JAGM Concours d'Elegance will be located about 10 miles north of Detroit, in the heart of Oakland County, and about midway along the route for the Woodward Dream Cruise.

The Somerset Golf Course, the Somerset Inn and the Somerset Mall are all in the southeast intersection of Big Beaver Road and Coolidge Highway in Troy, Michigan. The venue is off the US I-75 at Exit 69 (Big Beaver Road). Go west about two miles to the Somerset venues (if you go past Coolidge Highway, you have gone too far west).

# Jaguar Trip to Toledo, Saturday, Sept 10<sup>th</sup>

It is time to visit those down below. We will be taking a quick trip to Toledo Ohio.

We will meet up at a Cracker Barrel Restaurant, then travel to the **National Museum of the Great Lakes**, then to the **Original Tony Packo's** for lunch followed by the **Toledo Zoo** and return home from there.

We will meet at the **Cracker Barrel Restaurant** in Belleville at 8:30 for breakfast or 9:15 to hit the road (45525 N Interstate 94 Service Dr, Belleville).

We should be arriving at the **National Museum of the Great Lakes** at their 10:00 opening time (1701 Front St, Toledo) <https://nmgl.org/>. They have their Museum Building filled with displays and stories of the Great Lakes. They have the largest ore carrier docked and it is open for touring. They also have a Lake Tugboat that is open for your touring. Everyone that I talked to that has been there has really liked it. Admission is \$14 to \$17.

Here are a couple of short YouTube Videos:

The National Museum of the Great Lakes - Toledo, OH

<https://www.youtube.com/watch?v=FODR4ORgOYI>

We will spend about 2 hours at the museum and then

move over to **The Original Tony Packo's** for lunch (1902 Front Street, Toledo).

After lunch we will be going to the **Toledo Zoo** (2 Hippo Way, Toledo) <https://www.toledozoo.org/>. I have heard that it is a nice zoo, although I have never been there. We should be arriving around 1:30. The gates close at 4:00 and everyone out by 5:00. You will be on your own at this point. Some people can see a zoo in 1 hour. Others need several hours.

Admission prices are \$23 to \$26.

We will be traveling expressways and moving right along. From our first Toledo stop to the last is only about seven miles.

Tell yourself that we are saving gas. Feel free to join midstream or also drop out part way through.

Feel free to invite your family, friends, neighbors, kids, and grandkids. Many people have thought of seeing these attrac-

tions. They just have not gotten around to it. Everyone should enjoy the day. Our cars are a means for good people to get together.

By signing up on the Club website, it will give us an idea on the number of participants so we can alert our stops of our numbers.
