Club Nominations at October Meeting

We will be looking for nominations for club members to join the Board of Directors at the October membership meeting.

There is no experience necessary to be a Board member, just an enthusiasm for the club, and a desire to be a "bit" more involved than a regular member.

This is NOT a big time commitment. Currently there are only a couple Board meetings a year. A lot of club business is accomplished via emails, or during discussions at membership meetings.

If you are interested in being on the Board, please send your name to JAGMeditor@yahoo.com with "Board Nomination" in the subject line.

Ballots will be delivered inside your November newsletter, along with information on renewing your membership and attending the Holiday Party.

The Club may be heading in new directions ~ if you have thoughts on what you want your Club to be, now is the time to be on the Board and be a decision maker!

Jaguar

the President's Purr...

Hi all!

I don't know about you, but this summer's events have been the best yet!!!

The Concours was a great hit, and my fingers are crossed to use the same venue for next year. Great job, Bob and everyone who contributed to the big day. I was especially happy that the weather cooperated when needed!

I was very pleased with the turnout at the 2nd Annual (yes, I did say ANNUAL) Jags on the Bay! It was a beautiful day filled with laughter, good relaxing conversation, and simple enjoyment of each other's company. And the neighbors were certainly impressed with the level and variety of Jags we had parked out front...or should I say out back...still trying to get accustomed to this lake life lingo. Let's really give them a show next year!!!

The Marshall Magic drive this past weekend was theatrical and engaging. Louise, you made a great magician's assistant.

Any magical secrets you'd care to share (wink, wink)? Thanks Phil for organizing the fun event.

I've heard good things about the Apple of Your Eye and the Battle of the Brits events – aside from the weather being a bit dreary. Sounds like once again both were enjoyable.

Hope many of you were able to check out the presentation of our newly designed website (www.jagm.org) that Phil did at the September meeting. What a very exciting and proud time to be a member of JAGM. With the increased communicating of our club's information, I'm sure it will increase prospects for membership growth.

Page 3

Looking forward to all the rest of the activities planned for the next few months – The Fall Drive up north in October, and you shouldn't miss the November meeting with our Annual Charity Auction. Our returning auctioneer – Jason will be back – and I'm sure will have us all in stitches again, with a very entertaining evening filled with fun and laughter. Thanks Jason!

And as a reminder, nominations for BOD and officers will be accepted at the October meeting. Please consider upping your level of involvement with JAGM. Next year looks like a very exciting year and we could use more members to volunteer. Thanks to all who have already gone that extra mile and pitched in on many occasions. Your time and efforts are very much appreciated.

Until next we meet... Teresa

Magic in Marshall

JAGM was well represented in Marshall, MI on Saturday, September the 15th, with thirty people attending

this single-day event. The weather cooperated with mostly sunny afternoon temperatures reaching eighty-five degrees. The attendees met at the

American Museum of Magic at around 11:15 AM, with a few early arrivals taking in

the local shopping up and down East Michigan Avenue.

Our museum guide, Phil Hagarty, a magician himself, led us through two floors of magic props, a multitude of posters, and a few books, some dating back to the 16th century. He seemed to have an interesting "story" about every magic prop we saw. Following the tour, we experienced the magic of Joe Bennett, a magician from PawPaw. Joe's magic tricks and delivery style had some audience involvement, and also drew a few loud cheers.

Lunch followed at Schuler's Restaurant. It gave us an opportunity to sit and catch up with what people had been up to since we last saw them, and enjoy a nice meal.

The Honolulu House Museum is an opulent example of how well-to-do people from the 19th century lived. With a design reminiscent of the Hawaiian Islands, the house had very tall ceilings, tall windows that open from the bottom, a staircase to nowhere (for decorating and cooling with

tropical winds) colorful and patterned rugs, and gold-gilded paint on the ceilings. The two young docents seemed to be well informed on the history of this house.

It wouldn't be an "official" JAGM trip if it didn't involve a scoop, or two, of ice cream, so our last stop was at the Ice Cream Dream. Everyone enjoyed the day-trip and the opportunity to enjoy each other's company in the process.

2018 Concours d'Elegance - In the BOOKS!

Jaguar Affiliates Group of Michigan
Concours d'Elegance
51st Annual

JAGM lived up to our reputation for putting on a high quality and entertaining Concours. Some members and out of town visitors stayed in Auburn Hills in the very nice Springhill Suites Inn. Our Friday welcoming party was held in the hotel lobby, where food,

friends, fellowship and accommodations were great.

The Concours itself was held at Olde World Canterbury Village in Lake Orion. It was a great place for a car show, and several are hosted there every year. The cars were spread throughout the Village, some on grass -- some on brick paver sidewalks. There was plenty of room around the cars and the placements encouraged everyone to roam around the Village to see the sights and visit the shops. The Pub and Cider Mill had our food and beverage needs covered for the day.

Saturday began with high humidity, lasting until noon. A large Hospitality Tent was the savior of the morning. As people checked in, they wandered over to pack their own goodie bags from both new and recycled merchandise. All cars were arranged in basic groups, regardless of the specific class or division they had entered. We had quite a range in years and models in some of the groups. Before long the sun came out and judging was completed in sunshine. As usual, judging was tough but fair and I think everyone felt the results were well justified.

The Awards Banquet was held on-site Saturday evening in a beautiful room and with great food service. A Silent Auction very nicely complemented the day. We presented a slide show of all the cars on the field, along with the owner's name and score, so you felt like you were still at the show. Commemorative wine glasses, with our Concours dash plaque etched into the side, were given as thank

you mementoes to all workers and guests. I still have some left over. They are available for \$5 each. Just contact Bob.

The Judging Score Sheets have already been returned to the participants. Score Sheets provide a great check list that can be used to improve the vehicle, regardless of your future intentions. We did have some special awards to present: Most Improved went to Rod Lindoo with his 1970 E-Type coupe. The Murphy's Law Award went to Bob and Kathy Reid, whose tow vehicle had problems on the way to the Concours, forcing them to return home without showing their 1961 E-Type roadster. They did return for the banquet. The Prince of Darkness Award went to Marianna Staples and her beautiful 1960 Mark IX, because the headlights stopped functioning. There were a couple of runner's up awards: Mattie Majors had to replace the battery on her 1969 E-Type 2+2 coupe, before she could come to do her job as concours judge. Rod Lindoo's alternator stopped functioning at the event. Later, he jump started his car, and it ran half way home, ending up on a tow truck the rest of the way. After switching the alternator with a spare, everything was fine and ready to go. We all take these little mishaps as a part of owning a classic vehicle. It just adds a little character to us and the experience.

An event like this can't be put on without a lot of cooperation from the participants, and help from the volunteers. We must thank those volunteer workers. Score Tabulation: Louise Diamond and Judy Hudak; Score Sheet Running: Denise Kalwasinski, Pat Matejek and Steve Myerscough; Car Parking: Jeff Kosko, Jack Valentine, Lionel Sully and Steve Schauder; Silent Auction: Sue Gucfa, Louise Diamond and Teresa Klotz; Hospitality Tent: Johnine Bailey and Kris Sully; Photography: Kris Whise; Aerial Spying: Chuck Mueller; Registration: Pauline Blunt and Lauren Ruter; Goodie Bag and Raffle Requests: Chuck Diamond; all our JCNA-certified Judges, who are listed elsewhere. And, finally, Our Participants: You shared your cars and lives with us for a day or so and we all had a good time as a result. Thank you!

Bob Matejek, 2018 JAGM Concours Chairman

FROM THE BENCH:

Wow! What a day! In spite of the high humidity late in the morning, I cannot remember a Concours when I had so little to do as the Chief Judge. First, I want to thank the entrants who provided a field of very well prepared Jaguars. They were also well versed in the judging process.

Next, the "Runners" who stepped up to close the voids in the enlarged judging area, ensuring the judging score sheets came to me, then on to the Scoring room in a timely manner.

Last, to our Certified Judges who, prior to the Concours, put in the extra time and effort for the JCNA testing and training process. Then, at our Concours, completed the judging process quickly and without any issues that required my involvement.

Tom Bailey, Chief Judge

Although many members commented that they attended the annual Cystic Fibrosis fundraising event at Mueller's Apple Orchard in Linden, apparently all were there at different times. It figures!

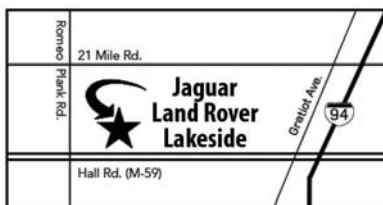

STILL, it's always a very worthwhile event and a great time to enjoy the 'fruits' of Chuck and Wendy's labor (apples! cider!) as well as Chuck's wonderful and non-fattening, donuts. "Well Done!" to the Muellers, as well as our generous club members! Keep up the great work for the CF Foundation!!!
